Preparation:

- > Please complete the medical/residence rules and release forms (pages 3 & 4) and mail or fax them back to the school. Please ensure that this form reaches us before the course starts so that we can prepare for medical or dietary requirements.
- > Consider story ideas for the project you will be creating at **GIFTS**. Arriving with ideas is beneficial because of the time constraints of the course. You will be working in a group, so be prepared to merge ideas with other people to create your project. The videos created will be between 3 and 5 minutes long. Keep in mind that your backdrops are cliffs, meadows, forests and beaches rather than highways or high rise buildings. If you have a video that you have already created, feel free to bring it along to show the group.

What to Bring:

- > Enough clothes to last a week. (Remember that BC weather can be unpredictable!)
- > A sleeping bag and a pillow.
- > Toiletries and towel.
- > A pair of practical walking shoes or boots.
- > Writing materials (you may want your address book so you can keep in touch with people afterwards.)
- > BC Tel calling card - all calls are long distance from the island!
- > An inexpensive or disposable camera to document your week here.
- > Spending money for the concession.
- > A hat and sunscreen.
- > We encourage students to create their own soundtracks whenever possible. If you play an instrument that can be safely brought to the school, feel free to bring it. If you are in a band, bring any recordings you would like to use.
- > Headphones, if you have them.
- > Please note we do not accept debit cards and there is no bank on Galiano.

What NOT to Bring:

- > Bicycles or skateboards.
There is no place to store them - and no time to ride.
- > Pets.
